We are happy to advise you if you need support preparing your data. If you are unable to create usable print files yourself, we will gladly do this for you and charge for the time required.

LEGEND

-  700 × 500 mm final format
-  720 × 530 mm final format with bleed
Required bleed: left and right = 10 mm
Top and bottom = 17 mm
-  670 × 470 mm Place important elements only inside the dashed line –
this serves as the safety margin for cutting and centring tolerances.
